Special thanks to all veterinary clinics who submitted their responses to make this possible
Acknowledgments

We wish to express our deepest gratitude to all the individuals to help make this directory become possible.

This project would not have been possible without our amazing mentor, Dr. Jayson Galbraith.

Dr. Melissa Moggy with the Alberta Farm Animal Care Council helped support this project and will continue to update the directory for future use.

We also wish to thank the veterinary clinics that responded to our survey and the Alberta Veterinary Medical Association for sending out our survey in their newsletter.

Dr. Robinson and Dr. Grenwich provided helpful feedback on all aspects of our project.

Finally, thanks to Steven Lunty who was kind enough to give us a tour of his bison farm.
